Greece

Karamanlis returned as a *deus ex machina* to carry out a transformation of the Greek political system and to consolidate democracy. This frame of mind also reveals a very strong subaltern mentality in Greek society, which probably goes back to the formation of the state in the 1830s—an ideology that emanates from the Greek elites, who always felt inferior to their European counterparts and had to demonstrate how faithful they were; they always thought they owed something to the Western powers.
