Mission Work among the Indian Tribes in the Forest of Guiana. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. I am aware that an English colony cannot be governed in this way; nevertheless, the spectacle of wild natives, rising by the influence of a few good Englishmen from lawless misrule to a settled government, where vice is punished without partiality, is very beautiful to philanthropists, and makes one think better of human nature and its capabilities.

Crown 8vo, with Map, cloth boards, Under His Banner. In those days, from 1847 to 1853, Sir James Brooke was very popular in England. Surely

it is because the settlers go there, not in the interest of the native race, but their own, and the two interests are sure to clash in the long-run.
