About the USA

German contributions have helped further the cause of American freedom and well-being for over three hundred years. German contributions span 300 years and include a love for freedom. In Georgia slavery was not legal until the mid- eighteenth century, but the colony's Low Country planters quickly caught on and created a slave society that resembled South Carolina's.

United States Germans to America Index, 1850

Free immi- grants came from socially diverse backgrounds, but in general they were of a higher social status than indentured servants. My estimate of African immigration is based on Philip Curtin, *The Atlantic Slave Trade: A Census* Madison, 1969 , 137; and Paul E. But the French immigration represents less than 3 percent of European immigration and less than 2 percent of total immigration from 1776 to 1809.

My Kingdom Is Not of This World: 300 Years of the Amish, 1683

These events also directly affected immigration to North America, which had been closely associated with overseas trade and credit throughout the colonial period. Includes northern and southern Irish.

Vol. 67, No. 3, Spring, 1984 of The Wisconsin Magazine of History on JSTOR

I have used Kulikoff's estimate of illegal slave importations. *Prom Slaves, Convicts, and Servants to Free Passengers: The Transformation of Immigration in the Era of the American Revolution* Aaron S. The German Baptist Brethren practiced believer's baptism.

The Germans Come to North America

These immigrants agreed to stay for three years and to repay the advances they had received. After 1783 all those involved in the immigrant trade, as well as the immigrants themselves, had to reevaluate whether and how they would participate in the new migrations.

About the USA

The breakup of a significant portion of the British Empire—one of the many effects of the American Revolution—changed migration, trade, and credit patterns for the English, Scots, and Irish. In 1983, President Ronald Reagan officially declared October 6 as German-American Day to commemorate 300 years of German immigration.

Catalog Record: Germans to America : 300 years of...

This leaves 18,600 for the 1780s.

19690669

German immigrants of the colonial period made indelible mark on America in the formative years of the new Republic. The voyage was too difficult and land too hard to find. On kidnapping, see *ibid*, 93; and Bailyn with DeWolfe, *Voyagers to the West*, 307-12.
