They provide further fodder for a cross-disciplinary experiment that is already well under way, describing peoples and their cultures in a world where boundaries are evermore fluid but where we all are alarmingly attached to the cataloguing and marking of national, ethnic, racial, and religious differences. . Washington, DC: The National Academies Press.

Clio/Anthropos: Exploring the Boundaries between History and Anthropology

Indeed, some of these essays are small masterpieces.

Clio/Anthropos: Exploring the Boundaries between History and Anthropology 1st Edition

Academic and political processes are, of course, not simply parallel formations or the product of an odd juxtaposition. The present volume recognizes and builds upon this understanding of power and knowledge¹.

Yet if we believe John Furnivall, every study of the spread of colonial rule should bring precisely this quality to light. Smith published ruminations on the place of history within the programs of cultural and social anthropology Evans-Pritchard 1962; Schapera 1962; Smith 1962.

Clioanthropos : exploring the boundaries between history and anthropology

And ethnologists have increasingly relied on longitudinal visions of their subjects, inquiries framed by the lens of history rather than purely structuralist, culturalist, or functionalist visions of behavior.
