TVADDB Television Commercial Database

ICPSR maintains and provides access to a vast archive of social science data for research and instruction. This site is not affiliated with any government entity and there is no charge to use it. The reports analyze market share, segmentation, trends, and consumer demographics.

Databases A to Z

This information is best viewed with Netscape Navigator 7. A cornucopia of links to statistical information from a wide variety of sources prepared by the NBER. Included are national and leading regional papers such as National Post, Calgary Herald, Edmonton Journal, Montreal Gazette, Ottawa Citizen, Regina Leader Post, Vancouver Sun and the Victoria Times-Colonist.

Company Database

It's been many years, and likely many more. For example, a five-pointed star would be coded in category 01 celestial bodies, natural phenomena and geographical maps , division 01 stars, comets and section 03 stars with five points , resulting in a complete design code of 01.

Search trademark database

Each profile analyses the activities of the company's interests around the world and assesses its future prospects.
