Wang Yangming

During these years Wang made significant strides in his philosophical achievements.

Essentials of Neo

According to Chu Hsi, the normative principle of human nature is pure and good. In 1506 he was whipped, imprisoned, and then banished to remote Guizhou Province for speaking out against a corrupt official.

Wang Yangning

The universe—all of creation and reality itself—is not a family, it is a single body. It was dominated by the work of the 12th-century rationalist , whose philosophy centered on the study of the nature of things. .

The Confucian Self and Experiential Spirituality

In this campaign, Wang also made one of the earliest references to using the fo-lang-ji in battle, a imported from the newly arrived venturers to China.

Wang Yangming

The name of the sect Chin.
