### [PDF] Tenant and Landlord in South Africa

Leases or other tenancy agreements cannot take away from your rights under the legislation. Read the from the SHE. Check in with both parties at a later date to see if there have been any changes positive or negative.

### Landlord & Tenant Information

Generally, landlords carry more risk under a lease than tenants. If a landlord, or their agent, tries to physically or forcefully remove a tenant from the property it will be considered to be an illegal eviction which is a serious criminal offence. Focus on Eviction There are many resources about a.

Under these circumstances, the landlord is allowed to enter the premises if the tenant is not home, providing the requirements regarding written notices have been met. Some cultures, like the Japanese, exhibit a considerable bias toward the tenant, making it exceedingly difficult to move out holdover tenants who decide to stay. Noninterference with Use In addition to maintaining the premises in a physically suitable manner, the landlord has an obligation to the tenant not to interfere with a permissible use of the premises.

### South Africa Rental Housing Bill

Ashvin Krishna Dwarka, notary, outlines the rights and duties of both parties. A covenant to repair imposes an obligation on the person covenanting to put the premises into repair even if they are in a state of disrepair at the start of the lease — Payne v.

### Landlords or tenants: who is responsible for maintenance?

On April 1, she pays the rent but defaults on the next tax bill.

### **General maintenance responsibilities » Tenancy Services**

Inspections should be done by external contractors to ensure professional compliance and should include photos and printed documents signed digitally by all parties on site at the inspection. There may be an agreement that you will pay this amount, but your liability will be to the landlord and not to Revenue. No legislation may permit arbitrary evictions; AND WHEREAS the renting of housing is a key component of the housing sector; AND WHEREAS there is a need to promote the provision of housing rental stock; AND WHEREAS there is a need to regulate the housing rental market in buildings or areas where it is not functioning properly; AND WHEREAS there is a need to promote fair practices and certainty in the renting and leasing of housing by, inter alia, laying down minimum requirements for written housing lease agreements; AND WHEREAS there is a need to balance the rights of landlords and tenants to protect both landlords and tenants against unfair practices and exploitation; AND WHEREAS there is a need to introduce mechanisms through which conflicts between landlords and tenants can be speedily resolved at minimum cost to the parties; AND WHEREAS there is a need to curb excessive rents in specific instances and to obviate unnecessary intervention in the housing rental market so that incentives remain for investors and developers to actively participate in the provision of housing for rental; BE IT THEREFORE ENACTED by the Parliament of the Republic of South Africa, as follows :- CHAPTER I Introductory provisions Definitions 1.
