## Jens Munk : Encyclopedia Arctica 15: Biographies

He keeps a post office in Cambridge, Massachusetts. An old tradition according to which the king received him so ungraciously that he soon afterward died of grief is entirely unreliable. And further that this my journal may be forwarded to my gracious Lord King every word found herein is altogether truthful in order that my poor wife and children may obtain some benefit from my great distress and miserable death.

## Jens Munk

With great effort they succeeded in getting the Lamprenen afloat and ready to sail.

## Hybrid Rugosa Rose Rosa 'Jens Munk'

Nevertheless, they passed through Hudson Strait, crossed the Atlantic, and on September 21st arrived safely at Dalafjord in Norway.

## The Jens Munk Expedition — 400th anniversary

Here, at a small harbor on the southern coast of Baffin Island, they met some Eskimos, the only time during the whole expedition when they were in contact with the native population. If true, it is a sad end indeed to the partnership between the ambitious King and the seafarer who almost conquered the Northwest Passage. Munk lived in Bahia for six years, where he was in the service of Duarte Duez' brother, Miguel.

## Exploration Mysteries: Searching for the Bones of Jens Munk's Crew» Explorersweb

In 1964, a small scale archaeological excavation at Munk's site on the Churchill River by two Danes, and Peter Seeborg, found a few remains of The Unicorn in the tidal flats. However, the blossoms on my plant have very little fragrance.

## Exploration Mysteries: Searching for the Bones of Jens Munk's Crew» Explorersweb

As you'd expect, it's extremely cold-hardy, as well as disease-resistant. However, this even was the reason why he entered the service of the Royal Navy. Artikler Dansk-norsk søofficer og opdagelsesrejsende, hvis mest kendte bedrift var en polarekspedition i 1619, hvor han fik til

opgave af Christian 4.

### **Hybrid Rugosa Rose Rosa 'Jens Munk'**

Munk was buried at St. Apparently, Munk and his men were unaware of this fact. In fact, most Canadians have likely never heard of the Danish explorer who in 1619 undertook an expedition in search of the Northwest Passage and ended up overwintering near what is now Churchill, Man.
