Robert Penn Warren: A Study of the

Short Fiction.

As a poet, he was appointed the nation's first Poet Laureate, February 26, 1986. Indeed, it is partly through these reprinted materials in the last two sections of the book that Millicap ultimately accomplishes his most difficult task: delineating the complex issues involved in any consideration of Robert Penn Warren's short fiction.

Understanding Fiction

For a list of his works click Other honors include Bollingen Prize, National Medal for Literature, and Presidential Medal of Freedom

Understanding Fiction

Surveying stories by British and American writers in the first half of the twentieth century, editors Robert Penn Warren and Albert Erskine selected stories that broke new ground and challenged the imagination with their style, subject matter, or tone: the unforgettable, enduring works that shaped the literature of our time. He is a prize-winning novelist who has written ten novels. Thus, despite its shortcomings, Robert Penn Warren: A Study of the Short Fiction is an important contribution to Warren scholarship and an essential addition to Twayne's Studies in Short Fiction series.

Author Robert Penn Warren biography and book list

He is also a prize-winning poet who has published thirteen collections of poetry.
