But Anya's behavior saves it for me, cold-fish that she is.

All These Things I've Done (Birthright, #1) by Gabrielle Zevin

At times, This is largely a retelling of the story of King Midas, but with something that children value far more than gold - chocolate! But most of the time, I just felt so removed from everything that was happening, and couldn't bring myself to care.

All About Chocolate

I'm not surprised after reading a lot of my friends' negative reviews, but I do admit to a little curiosity sparking in me when this arrived from the publishers claiming to be The Godfather with a dystopian twist. . Follow these step-by-step instructions for creating a customized whole-home cleaning schedule.

Even though the novel is pushed as another dystopia, it is more of a mafia crime drama, at least in the beginning. I had heard of it, but probably

would never have read it if I'd not found it for exchange in one of the boxes.
