Lot 15

Knowing that Cook had previously surveyed the coast west of Prince William Sound and found no passage, Malaspina ceased his search at that point and sailed to the Spanish outpost at on. During this voyage he was in command of the frigate Astrea.

The Malaspina Expedition, 1789

Continuing north, Bustamante mapped the coast while Malaspina sailed to in order to resolve conflicting data on their location. Please note shipments to the Highlands and Islands may require shipment by courier and may be more expensive.

Malaspina Expedition

Transcripción resumida: En el Real Sitio de San Lorenzo de El Escorial Madrid ,7. Pero no abordó simplemente cuestiones relativas a la geografía o a la historia natural. They maintain the Hakluyt's high standard and I look forward to the third and final volume which should include their half-day visit to New Zealand.

Captain James Cook > The Malaspina Expedition 1789

The auctioneer may at his sole discretion determine the advance of bidding or refuse a bid, divide any lot, combine any two or more lots or withdraw any lot without prior notice. If you use this work outside of the Wikimedia Projects, you can contact with me sending an email to , with the URL if it is a webpage or the title-author if it is a book or an article. All his journals and notes were taken from him and so no official account was written, even in Spanish, for nearly fifty years.
