The packaging was secure, shipping was fast and the email notification was timely. Buyers are responsible for return shipping costs.

The Moffat Papers: Selcetions from the Diplomatic Journals of Jay Pierrepont Moffat, 1919

Since the complete Moffat journals comprise roughly ten thousand pages, it is obvious that a printed volume of some four hundred must radically condense the material. Seller will cover return shipping costs. The reader is treated to everything from secret conferences with President Roosevelt to confrontations with arrogant Soviet diplomats; naturally, since the main focus is on the 1930s and the early war years, Nazi-related issues also play a big role.
