William Faulkner Literary Competition

William Faulkner was born in 1897 to a prominent family in New Albany, Mississippi.

William Faulkner

Only she tried twice and failed twice to find somebody not just strong enough to deserve it, earn it, match it, but even brave enough to accept it.

I believe that man will not merely endure, he will prevail: William Faulkner

Faulkner served as Writer-in-Residence at the at from February to June 1957 and again in 1958.

William Faulkner Biography

Sartoris, also known as *Flags in the Dust*, was Faulkner's first book set in the fictional Yoknapatawpha County. Faulkner wrote two volumes of poetry which were published in small printings, *The Marble Faun* 1924 , and *A Green Bough* 1933 , and a collection of mystery stories, *Knight's Gambit* 1949.

Biografia de William Faulkner

In the way that only Faulkner could write, the story achieves its magnificent climax. He suffered a fatal heart attack on July 6, 1962, at the age of 64, at Wright's Sanatorium in.

TNR_brand monogram_black

After Emancipation, freedmen often worked for their old masters under conditions not far removed from slavery; white-supremacist terrorism kept them oppressed and disenfranchised even before the institution of Jim Crow laws in the 1870s ratified their subjugation. Soon the family moved to Oxford, thirty-five miles away, where young Faulkner, although he was a voracious reader, failed to earn enough credits to be graduated from the local high school.

Faulkner the Anti

Faulkner was influenced by European modernism, and employed stream of consciousness in several of his novels. One of the best books by William Faulkner ever.

Faulkner the Anti

Yet that clarity was always challenged in the fetid Mississippi air that Faulkner, like all his characters, had to breathe. He seemed to thrive on crises, according to Rollyson.
