I fjordane var der nok av fiskeklakkar for stasjonære fiskeslag. Weather conditions thus influence the performance of Rangifer in different ways and through effects that can be measured at many different scales:

Filesize: 27.110 MB

locally, regionally, even continentally.

Ancient DNA reveals a major genetic change during the transition from hunting economy to reindeer husbandry in northern Scandinavia

The dynamic, however, includes another dimension: human intervention can alter the resource base in ways entirely independent of climate change and to which the analysis now turns.

Intercontinental Flows of Desire: Brass Kettles in Lapland and in the Colony of New Sweden

Dette hadde samanheng med dei store naturgoda, fridommen til å etablera seg og den lette tilgangen til jord og tomter. References to kettles in connection with the Sámi are equally common in written sources. Frette Thor, Hjemmeluft, i Jørn Sandnes og Ola Stenshaug red.

The Sami Peoples of the North: A Social and Cultural History

The Commission therefore proposed that reindeer herders from both countries should be permitted to cross the border with their animals according to customary practice. I tilslutning til vitneprov om råmerke mellom de Norske Varanger-Finner og Norske Tana-Finner s. The fifth assessment report from the Intergovernmental Panel on Climate Change is based on results from the 5 th phase of this project, CMIP5.

Kinship and Settlements: Sami Residence Patterns in the Fennoscandian Alpine Areas around A.D. 1000

The Saami reindeer husbandry area in Norway green shading constitutes 141,000 km² of utmark uncultivated land, including forests, meadows, moorland and mountains. Such responses indicate that the value of the site or area has been reduced insofar as animals are reluctant to use it. The beginning portion of this first chapter is focused on Mike Schaff, a Tea party member and victim of environmental catastrophe.

Ancient DNA reveals a major genetic change during the transition from hunting economy to reindeer husbandry in northern Scandinavia

Kan det reises tvil om det er statens som 'eier' Finnmarksalmenningen — helt eller delvis? Forbudet innebar, allment sagt, eit vern om tradisjonell bruk av stranda på statens grunn i Finnmark, først og fremst til beste for fisket. Однера 1981-1986 годов в Варангер-фьорде в Норвегии Odner, 1992. What actions do you think people need to take in their lives in order to get to heaven.
