### Welcome to London

It's made up of England's chalk downs, stretching from the white cliffs near Eastbourne on the South Coast to Winchester. And Glaswegian can be tricky too — even for Scots themselves! The most common injuries were caused by shells and bullets, and a casualty was evacuated through a similarly-organised chain of medical posts, dressing stations and hospitals.

Gatwick Airport is located 3.

### London Tube maps and guides

I love the Borough Market and Covent Garden.

### Great Britain Itinerary: Where to Go in Great Britain by Rick Steves

I do miss London now and then as I always found something to do there.

### Welcome to London

What British dialects have you encountered so far? Pay particular attention when turning at a junction or rejoining the road after a short stop refueling etc.
