Richard M. Bucke

Along with the consciousness of the cosmos there occurs an intellectual enlightenment or illumination which alone would place the individual on a new plane of existence—would make him almost a member of a new species. Often he used a quotation from Whitman as a reference source for the explication.

The solitary singer : a critical biography of Walt Whitman / Gay Wilson Allen

It has been described many times and it is only necessary to summarize it here. He remained in London for the rest of his professional life.

Gautama, the Buddha, and include Jesus, Paul, Mohammed, Dante, Pascal, Blake, Balzac, Bacon and Whitman, the last two, not unexpectedly, being given the most attention. The gynecologic diagnoses were: Endometritis 29; Prolapsed uterus 68; Lacerated perineum 33; Lacerated cervix 29; Hypertrophied cervix 6; Retroverted uterus 15; Tumor 31; Unknown 17; TOTAL 228.

The Illumination of Dr. Bucke: A Journey Beyond the Intellect by Susan Maynard

In the next section Bucke describes numerous instances of historical figures who came close, but who did not actually break through the cosmic curtain. Now Superintendent of the London, Ontario Lunatic Asylum, Dr.

The Illumination of Dr. Bucke: A Journey Beyond the Intellect by Susan Maynard

The hypothesis he presents provides a very plausible evolutionary mechanism that credibly explains the conditions these persons experienced, that does not see their experiences Written at the end of the 19th century before the subject was even vaguely in vogue and following a momentary period of higher consciousness he experienced himself, Bucke, a physician, undertook an extensive study of such persons as Moses, Jesus, Mohammed, Buddha, etc. Bucke was, of course, aware of a number of lesser cases, some of whom he knew personally, but he argued logically that they could not be included because earlier anonymous possessors of cosmic consciousness had anticipated them but had left no mark of their existence. Bucke into contact with the leading literary figures of his day.

Richard Maurice Bucke (Bucke, Richard Maurice, 1837

The rest of the book may not be worth reading, but it doesn't need to be because it's all there in the first part. By means of this faculty a dog or a horse is just as conscious of the things about him as a man is ; he is also conscious of his own limbs and body and he knows that these are a part of himself.

Richard Maurice Bucke, medical mystic : letters of Dr. Bucke to Walt

Clarke's failure to criticize Bucke may have been a reluctance to condemn someone of Bucke's stature in the medical world, especially in view of the results of Bucke's questionnaire which appeared to give him the overwhelming support of rank and file practitioners. In his work with asylum

inmates, he was a who encouraged organized sports and what is now called.
