## **Barton, Emily THE TESTAMENT OF YVES GUNDRON 1st Edition 1st Printing**

By Monday morning, then, two horses in our village had names. The next morning, after briefly watering the near pasture and dumping the night's slops out besides, I brought my horse -- nameless still -- out into the yard, tethered her to the stake, and took strips of cured leather and pieces of flaxen rope from the barn.

### **The Testament of Yves Gundron**

We had little to spare, but the horses performed important duties, and we thanked them when we could with windfall apples or carrots that had gone early to rot.

### **The Testament of Yves Gundron by Emily Barton (I)**

This was Mandragora before my invention and all that it set in motion. Since this date, the value for this certain listing has been altered 7 times. And when finally we arrived at the city, we had to pass single-file through the gate and the fetid streets, which were closed to the sunlight, full of the odors of refuse and garlic.

### **The Testament of Yves Gundron by Emily Barton (II)**

Moreover, this culture is in the British Isles!! Three guilders was somewhat more money then than it is now -- enough to buy a pound of fine sugar or all the cinnamon one's wife could bake with in a year. They were the picture of beauty in the early-morning light, both fair-haired and sturdy, Adelaïda's round face ruddy with health around her gap-toothed grin. Of all the events to set the process of history in motion, mine was a realization about my horse.
