### Leibniz on the Problem of Evil (Stanford Encyclopedia of Philosophy)

When it comes to our world, then, there must be some reason that explains why it, and not some other world, obtains. According to the authors, they stand somewhere between divinity and mortality: less than Exalted, but more than human.

### **Martian (The War of the Worlds)**

Fair Folk Like the Dragon Kings, they are an alternative player character type to the Exalted. Take a look at some of the oddest facts about this weird world. Nephwracks are ghosts who have been corrupted by the Neverborn.
