Mardi Gras Specialty Dining theory.....

Wonder if it could be an issue that they don't have enough wait crew available at dinner time to serve the dining rooms and accommodate special service in the buffet? I highly doubt it will be the full menu that is normally available for dinner at an up-charge.

Chibang ũihoe (1985 edition)

The first two are 15. So Emeril, JiJi, and Capitan would be free dining in my theory. Join us to watch your favorite team on one of our many flat screen TVs, enjoy some drinks on our heated patio, play a game of shuffleboard with some friends, or relax after work and enjoy our excellent happy hour.

Han'guk chŏnja ũihoeron / Pak Chae

Our space is designed as a place for good people to gather, relax, play, laugh, drink, and be happy.

Onŭl ũi chibang ũihoe (1989 edition)

So on the Mardi Gras half of the specialty dining you can not make reservations. The first North American cruise ship powered by Liquefied Natural Gas LNG , Mardi Gras is set to debut from Port Canaveral, Fla. So you think they will swap out the meals and not serve the pay venue included? Lol you might be on to something though none you named.
