What goes into this type of writing? What do you think about his reaction? She is the series editor of the Greenwood Press Literature in Context series, which includes her works Understanding Adventures of Huckleberry Finn 1996 , Understanding The Scarlet Letter 1995 , and Understanding To Kill a Mockingbird 1994. This interdisciplinary collection of rich collateral materials features a variety of primary documents that shed light on the background of each of these novellas the pioneer days and life on the Western frontier, the early history of California, the gold rush, the plight of the migrant worker during the Great Depression, the problems of the homeless and the hopeless, and oppression in Mexico in the early 20th century. To make a very long story short: Steinbeck was a talented writer who was able to make the telling of a story as meaningful as the story itself.
