He tried to change her mind by putting her in chains, but her lovely face shone with joy. Bishop Howard however, decided that it would be under the patronage of Saint Agnes. ### St. Agnes

Also in the same display case are relics of Saint Agatha like Agnes, a virgin martyr and Saint Anthony of Padua. Together, we seek individual understandings of veritas—the truth—within each discussion or investigation, every subject area or assignment. Also like Agatha, who died in similar circumstances, Agnes is a symbol that holiness does not depend on length of years, experience, or human effort.
