Robert Burke

Many work more than 40 hours per week.

IFSTA Library

New Threats: Terrorism Involving Weapons of Mass Destruction.

49 CFR § 173.2

During this time, they regularly inspect equipment and perform practice drills. Advancement Firefighters can be promoted to engineer, then to lieutenant, captain, battalion chief, assistant chief, deputy chief, and, finally, chief.

Robert Burke

Using his 26 years of experience in emergency services and his skills as a hazardous materials consultant in more than 15 states, the author prepares the first responder to handle everything from re-establishing control and on-scene triage to investigating the crime. Counter-Terrorism for Emergency Responders, Second Edition meticulously details the characteristics, actions, identification, containment, and emergency treatment of all types of agents.
