Philosophy in the Soviet Union

Nalimov is usually credited with proposing the concept of. Grant Luckhardt and Maximilian E. For one thing, the political ideals of the CPSU were modified for example, such an important principle of Leninism as the priority of class interests to the interests of humanity was eliminated ; for another, the position of the CPSU in the State government changed.

'Where's Durham?': Investigation of Russia

In the second of the essays mentioned above, Trubetskoi claims that there are three means of knowing reality: empirically through the senses, rationally through thought, and directly through faith.

Philosophy in the Soviet Union

Once again, a hard-headed UFO study has shown that this seemingly goofy subject deserves serious research.

Philosophy in the Soviet Union

This reading has been challenged, in turn, by several interpretations such as Baker and Hacker 1984, McGinn 1984, and Cavell 1990 , while others have provided additional, fresh perspectives e. Rather, it pointed to new perspectives which, undoubtedly, are not disconnected from the earlier critique in addressing specific philosophical issues.
