Process Improvement: Adding Value

for Your Customers

You can choose whether to allow people to download your original PowerPoint presentations and photo slideshows for a fee or free or not at all.

Business Management Tools and Info

This means that the work that the customer cares about is only 10 percent of the total work. It has inputs, someone processes the inputs hopefully by adding value and an output is created. William Sanders while working in the field of agricultural genetics at the University of Tennessee.

Understanding and Applying Value

A process that does not add value to the product or service should be redesigned or eliminated altogether.

Understanding and Applying Value

We'll even convert your presentations and slide shows into the universal Flash format with all their original multimedia glory, including animation, 2D and 3D transition effects, embedded music or other audio, or even video embedded in slides. That's all free as well! In addition to his value-added model, similar models have been developed by others across the country.
