But go within and you will have the answer. Many people find in Saktism a basis for a religion for our age, a religion which takes material reality as seriously as spirit. As more and more of humanity express their light, the planet will stabilize and love will shine forth.

Transformational Leadership Council

The methods and ethos of science and religion are profoundly different.

Article: Deep, Positive Stories For the Future

When you're doing your errands, feel that light, feminine energy more than you usually do.

Ascended Masters, the spiritual hierarchy and the universal guardian alliance

And use your love to change the world. And last, there is the energizing power of an inspiring vision that moves through, and strengthens us when we act for a purpose bigger than ourselves. As we experience life in this photon belt for the next 2000 years there will be a massive shift in consciousness to a higher dimension.

David Wilcock as the Reincarnation of Edgar Cayce

This identity level is called the Geomantic Entity — or Geomancy. Ascended Masters are not only part of the Spiritual Hierarchy that overlooks the Earth plane, also the higher Solar and Universal Cosmic planes. Most of us wish to live in a world of peace and beauty but do not know how to get there.

Part 1: Personal and Planetary Transformation

A very feminine woman who did the exercise said she felt powerful. Whether we realize this yet or not, the human family is facing huge challenges, and we will need equally big visions to transform conflict into cooperation and draw us into a transformed future.
