Sketches of America : a narrative of a journey of five thousand miles through the eastern and western states of America : contained in eight reports addressed to the thirty

A fortune may be the reward, or a blank com-. A lialf-breed, whose arm l amputated, declared, that tattooing was not oidy the most painful operation of the two, but rendered infinitely more Ufficult to bear by its tediousness. We landed in New London before day-light : our passage was so rough that I was once mere approaching towards the sick list.

The captain of the yacht ordered one of them, at my desire, to lay hold of our spaniel; the man made no difficulty, but afterwards rubbed his hand against the side of the ship with an expression of disgust which annoyed me, and I determined to spare their feelings in future as much as possible. The origin of the Crees, to which nation the Cumberland House Indians belong, is, like that of the other Aborigines of America, involved in obscurity; but the researches now making into the nature and affinities of the languages spoken by the different Indian tribes, may eventually throw some light on the subject. We had a fine view, at sun-rise, of the Basquiau Hill, skirting half the horizon with its white sides, cheepiered by forests of pine.

I had a curious visit a few days ago from a person who previously announced himself by letter as the Rev. I have been amongst them as a stranger, have boarded and lodged with them, and I have invariably found them very obliging and hospitable, and to their honor be it said, I saw none of them as rough and wicked as some of our own class of Canadians.
