For Whom the Bell Tolls by Ernest Hemingway Plot Summary

A number of characters contemplate suicide: Karkov always carries pills to use to kill himself if he is ever captured, and Maria carries around a razor blade for the same purpose. Robert Jordan writes a dispatch to the Republican command recommending that both the bridge operation and the larger offensive be canceled, for the Fascists are aware of the plan and the operation will not succeed. Jordan immediately takes a disliking to Pablo, who is sullen and uncooperative.
