The quilting density is good, averaging about 100 linear inches of stitching per square foot. Possible ex library copy, will have the markings and stickers associated from the library. The backing of this quilt is covered with a light ivory batik fabric of 100% cotton to accent the front side.

### All Quilts

Well made with excellent patchwork sewing. As she examines the array of quilt blocks each family member contributed but never completed, memories of Christmases past emerge.

### Difference Between Coverlet and Quilt

The fabrics are a pretty yellow and white.

### Peto Florence

However, quilts are larger than coverlets because they have to cover the entire size of the bed, hand down, and still cover at least two people sleeping in a certain bed. In real life, Chiaverini has long been active in this charitable organization, dedicated to providing handmade quilts and blankets to children in need.
