Each entry is followed by its romanization.

Diffusion of Copernicanism in Japan

~~ Commentary on the Shint6 classics , Yokohama, Okura Seishin Bunka Kenkyusho, 1938 -1939, 2v.

近世儒林編年志

The emphasis of this work is on agriculture in general and not specifically on agriculture in Japan. The work is divided into three major sections: 1 government publications, 2 commercially published books and journals, and 3 children's literature. Volume 2, therefore, is of considerable use to the historian.

Словарь

? The Department of Early Modern Materials is engaged in the study of historical materials concerning the Yedo period from the 17th to the 19th century. One of the best among them, entry 17, is really a history of literary thought and thus ignores some of the problems one would expect to

find treated in a general history.
