Inquiry into the Labour Hire Industry and Insecure Work :: Engage Victoria

However, with the wide range of industries covered by the ABS, there is a need for industry-specific questionnaires to collect detailed information and to ensure that respondents only receive questions that are applicable to their business area. The company should embrace apprenticeship as opposed to leaving the employees to learn on their own.

25+ Annual Report Examples in PDF

Catering was selected as the old questionnaire was identified as causing respondents difficulties owing to questions that were not applicable to a large number of respondents.

Structure planning

Spain is home to the fifth-busiest port in Europe; Valencia which is also the busiest port in the Mediterranean.
