So glad they have inspired you to read more. Will the boy become a hero like his foster father, or die trying? Seeds of doubt are sown between Kiritsugu Emiya and Saber, his Servant, as their conflicting ideologies on heroism and chivalry clash. As more conflicts arise, the idea of placing honor above oneself is put into question—regardless of their answer, their only choice is to see it through until the end.

The magician goes to light a cigarette, but subtly drops both cigarette and lighter into his lap. Take your cards out of their shoeboxes, storage containers, or deck boxes, and spread them out on your table. You can use your MagicBand to add photos to your online account where you can download some or all of them depending on what options you purchase.
