Examples of feudalism

The word feudal derives from the word fief, which usually denotes an area of land held on certain conditions. And the key currency in the Middle Ages under the feudal system is land and land in exchange for loyalty and service. But as food stores improved and women took on lesser roles in providing food for the family, they became more subordinate to men.

The 5 Social Classes of Feudalism

Commendation was the act by which a free man accepted to be a vassal, commending himself to a more powerful member of the society, like a noble, a bishop, or an abbot.
