Everything you need to know about...taking on trainee solicitors

You can take on more trainees If you are really keen to develop your future talent pool, you are now free to take on more than two per partner.

Period of recognised training

We would encourage employers to consider this salary when deciding how much to pay these employees. I regularly attended trustee meetings which gave me an understanding of the challenges charity clients face and it was a fantastic experience to help them to achieve their goals. But why should you choose BDB Pitmans? Did you know that the SRA regime for taking on trainee solicitors changed in 2014? As a Trainee in the Employment Department at SA Law, I have been involved in all aspects of the varied work that comes in and have been made to feel like a valued and well regarded member of the team.

What is it like to be an employment trainee solicitor?

Employers must now pay at least the national minimum wage.

Trainee Solicitors

People returning to the profession may well be suitable. Our future trainees can be assured of a supportive and inclusive environment where they will be given the chance to work on important and complex legal matters. I was involved at the start of the transaction and I had to go through all the searches and planning permissions in order to produce a report on title for the client.

Recommended minimum salary for trainee solicitors and SQE candidates

It is often assumed that as a Trainee you will only ever undertake low-level tasks and merely observe the work of others. Expenses for the PSC Professional Skills Course , which is part of the vocational stage of training and needs to be completed before qualification, must also be met by the employer.

SRA

There are, however, some traits our trainees all have in common.
