Shunsui Kyoraku/Powers & Abilities

In addition, the cycle must not be interrupted by tile calls.

Kyuubi no youko

Shunsui usually swings with more strength in his left hand than his right, however, he can easily switch or balance the strength between his two hands, allowing him to surprise his opponent.

List of yaku

As the Nine-Tails' jinchūriki, Naruto is gifted with massive chakra and stamina, immense strength, increased speed, accelerated healing, and, at times, an almost impenetrable chakra shield.

Kyuubi no youko

This gesture possesses enough physical force to effortlessly send someone of even Chad's stature flying several meters away. The fourth group can be an open triplet or sequence. To maximize damage, you have to use a color that maximizes the risks to yourself as well as your enemy.

Kyushu No. 1 Star

Madara denied that he had summoned it to destroy the village and claimed that the Nine-Tails' attack had been a natural occurrence. The battle was so great that it tore the earth apart and created the Valley of the End. Shunpo Master: As a captain, Shunsui is exceptional in the art of Shunpo.

Kyuubi no youko

Won Ton Ramen 700 70 A great dish with a home-made won ton topping.
