MICE in International KOREA

In fact, it was during the 1990s that the genre of samulnori flourished among a growing base of fans-turned-practitioners, due in large part to pedagogical outreach efforts sponsored by the quartet and arguably its most tireless and ambitious advocate, Kim Duk Soo.

Sejong Center

Kim presided as the artistic director for an organization that featured a roster of samulnori teams, an educational division, and a managing staff.

MICE in International KOREA

Hanullim means big bang in 1993. It was during this year that I first became acquainted with the musicians and personalities who figure so prominently in my dissertation research. At times, I pivot in that direction; the stage appears as beacons of light in the near distance.

Sejong Center

This celebratory narrative sees musical hybridity and fusion as cultural signs of unbounded and deterritorialized identities...Anxious narratives tend to focus more sharply on economics and power.

SIPALKI NOROESTE ARGENTINO: abril 2009

Although we both felt out of place, Lee took it upon himself to make us feel comfortable and, in typical Korean fashion, began asking inquisitively about my background and my research interests in music and protest.

Sejong Cultural Center in Seoul

With the exception of the French team who were members of a professional theatrical troupe , most participants had never taken part in a large-scale musical production before. He asked our advice on how to revive the Konggan Sarang and reestablish it as an arts center in Seoul.
