McNiece did splendid work and was responsible for much preventative work in medicine in the schools. The gardens have quite a few vegetables and some flowers.

## We Will Remember Them

He worked with his father until he was eighteen years of age, when he procured a position as clerk in Independence. Going to the woods is going home; for I suppose we came from the woods originally. Although displaying superb playing and sonics, Barenboim's Chicago recordings for me generally lack the definitive insight and inspiration of the many great Chicago conductors, particularly in the classic repertoire he chose to record.
