totalitarianism

The Party's ultimate ambition is to control the minds as well as the bodies of its citizenry, and thus control reality itself. The object of persecution is persecution.

Foundation for the History of Totalitarianism

For the first time in his life he did not despise the proles or think of them merely as an inert force which would one day spring to life and regenerate the world.

Difference Between Totalitarianism, Authoritarianism, Fascism

After his death in 1976 his political and economic goals were abandoned as unworkable. Power is not a means; it is an end.

The Terror of Totalitarianism Explained

Its success in maintaining power led Islamic fundamentalists in other nearby nations to aim at a similar goal. The difference between totalitarianism and authoritarian regimes is important to note.
