Homosexuality

With the culture wars raging over legal recognition of same-sex unions, advocates on both sides of the question have begun trying to examine the effects of the homosexual lifestyle on the children involved. One of the claims of those opposed to gay marriage is that gays make poor parents although marriage is not a legal requirement for being a parent.

Gay Parents Raising Kids: How Will They Fare?

There are a lot of variables at hand and you are choosing to look at one small area for the sake of arguing.

'Return the key': the parents who reject their gay children

The word lesbian is derived from the name of the Greek island, where the poet wrote largely about her emotional relationships with young women. Some countries allow gay men, lesbians, and bisexual people to serve openly and have granted them the same rights and privileges as their heterosexual counterparts.

It's Science: 6 Reasons Gay Parents Are The Best Parents

Coming out of the closet Main article: Coming out of the closet is a phrase referring to one's disclosure of their sexual orientation or gender identity, and is described and experienced variously as a psychological process or journey. And my mother had a terminal disease when she had me. Passions of the Cut Sleeve.

Homosexual vs. Heterosexual Parenting: Is There Really "No Difference"?

Furthermore, whereas factors such as the number and cohabitation status of parents can and do influence relationship quality in aggregate, the same has not been demonstrated for sexuality. Twitter Facebook When the Supreme Court took up the issue of gay marriage last month, Justice Antonin Scalia claimed that experts debate whether same-sex parents are.
