Symposium on Archival Education, School of Library and Information Science, University of Western Ontario, Saturday July 28th, 1979 : proceedings / edited by Janet Fyfe and Clifford Collier.

In both populations females departed directly to sea, rarely stopping before reaching the water, and they never sought contact with males.

eCite Browse by Year

The storming of the Winter Palace, in both popular history and cultural representation, exemplifies how revolutionaries violated physical and political boundaries and imposed a new organization of power.
