### Description: Review of Nagao Gadjin, Bukkyō no genryū

Nor let us be resentful when others differ from us. It is a classic call for moral and cultural tolerance, which appears to show some influence from Buddhism.

### Kamakura Bukkyō keiseiron (1998 edition)

It is called immediate only in the sense that it is the concrete life of human being in its actuality.

### Description: Review of Nagao Gadjin, Bukkyō no genryū

The introduction of TD describes how war can contribute to the construction of the new world order. Two of the most influential Confucian scholars of this period were Ogyū Sorai 1666—1728, who founded the kogakuha Ancient Learning School, and Nakae Tōju 1608—48, who founded the Ōyōmei gakuha, which drew on the teachings of Wang Yang- THE POLITICS OF HARMONY AND AWAKENING 41 Ming.jp.

### Description: Review of Sueki Fumihiko, Kamakura Bukkyō keisei ron

Max Scheler, Vom Ewigen im Menschen, 4th edition, Gesammelte Werke, ed. Japanese and Continental Philosophy Introduction: Conversations on an Ox Path The principal aim of this volume is to promote dialogue between Western and Japanese philosophy, and more specifically between Continental philosophy and the Kyoto School. Ueda refers explicitly to terms such as Imperial Way, Japanese Spirit and the Emperor System.

### Description: Suki translation

Shinran did not believe that anyone could claim to be in possession of absolute, universal knowledge—indeed, he insisted that all human knowledge was entirely conventional and contingent. Princeton, NJ: Princeton University Press, 1989. There can be no such giving without the relative as recipient, even though the absolute is not dependent on the relative in the way that relative beings are co-dependent on one another.

### Description: Suki translation

Martin Heidegger, Nietzsche, 5th edition Pfullingen: Neske, 1989 , 2: 389; Nietzsche Volume IV: Nihilism, trans.
