Thank you so much and sorry for all these stupid questions. The 2016 paper by Norbert Werner et al. Also, of the two signs that exist for Ophiucus, I just find the U one to be the less appealing.

OPHIUCHUS

But like Sagittarius, they are also wisdom seekers, flamboyant dressers, visionary, and known for having good luck. Sagittarius dashed through the night, defying the chilly northern wind that was stinging his right cheek. Furthermore, the cavity produced by the outburst is so big that would be possible to put 15 galaxies of Milky Way's dimensions in a row.
