How could it be ended surely and quickly? During the 1960s the availability of primary sources made historical research and writing possible and the debate became more vigorous. National Archives, RG 77-MDH Apparently top Army Air Force commanders did not want to take responsibility for the first use of nuclear weapons on urban targets and sought formal authorization from Chief of Staff Marshall who was then in Potsdam. McCloy were present when the Joint Chiefs of Staff met with Truman on June 18th, but although Under Secretary of State Joseph C.
