Rules for pick up sticks Each stick is supposed to be removed without disturbing any of the others. Incorporate two pick up sticks and you can weave on 4 shafts. To make the game more challenging, set a rule that players can't use their dominant hand, making right-handed players switch to using their left hands and vice versa.

Pick Up Sticks Rules: Player one begins the game by holding all of the sticks in their hand and then dropping them to the ground, scattering them across the floor. Add This Game To Your MyArcade Page: You must be to add games to your MyArcade page. For example, try using a retriever hook to pick up the sticks, which can easily be fashioned from a bent paper clip.

How to Play Pick Up Sticks

If you are scoring after each turn, record the first player's score. Faced with a jumbled up pile of wooden or plastic sticks, your job is to show that you have nerves of steel and a steady hand, picking up sticks one at a time without moving others in the pile.
