Epigraphie latine Research Papers

Sometimes more detailed prescriptions are given for the whole organisation of a festival; thus, at , in , the arrangements for the celebration of the local , the dress of the participants, the officials and policing, are very fully described. Classe de Letras; Real Academia de la Historia, Madrid; Reial Acadèmia de Medicina de Catalunya; Deutsches Archäologisches Institut, Berlin; Heidelberger Akademie der Wissenschaften, Heidelberg. In most alphabetic systems there are also found in inscriptions certain symbols which are not strictly alphabetic or phonetic in character.

Sacrifices on great occasions were usually provided by the State, as also were important repairs; but in some cases a priest undertook these on his own account, and was honoured accordingly — for instance, by being allowed to inscribe his name in the restored temple. In early times there is often no record beyond the name of the deceased in Athens, often with the name of his father and his.

Un peu d'épigraphie...

Here have been found, on large slabs of inscription, compiled, in all probability, from earlier documents, lists of the cures effected by Apollo and Asclepius. Plus de 150 inscriptions peintes sont connues dont environ 90 sur amphores vinaires.
