Highsmith, February 28, 2010, Library of Congress Recognizing the significance of the property, the City of Birmingham acquired the former motel in 2015 with the plan to incorporate it into the larger. LeClair and University of Illinois at Urbana-Champaign. With over 30 years of experience in rehabilitation and recovery services, supportive housing, and homeless assistance services, his work has focused on developing and delivering materials, strategies, training, and technical assistance to help increase the capacity of supportive housing and service organizations to offer employment services to formerly homeless people with disabilities and assist supportive housing and service providers on innovative programming.

Gaston Motel on April 6, 1963.

Peter Watt

She currently serves on the Board of Directors for the Maine Center for Economic Policy. The construction drawings for the motel depict 29 guest

rooms, each room featuring high-end furnishings. Refusing to abandon a demonstrably erroneous interpretation of that Constitution exalts the Supreme Court over the Constitution and, therefore, over the people.
