International Education at the Crossroads

I read this book in order to develop a framework within which to argue some points in an appellate brief that I was writing for a student free speech case.

International Education at the Crossroads

Whether making the concerns of communities of color audible in the halls of the central bureaucracy or changing the character of public education by creating smaller community centered schools, Mchawi has always been in the forefront of the struggle for quality education.

WBAI Radio

A helpful recalibration for me on prioritizing the ends of education, rather than making the means an end unto themselves. She has received awards from the National Endowment for the Humanities, the Harry Ransom Center, the Rockefeller Archive Center, and others.
