You can send prospective employers, clients, or customers a link to your online portfolio along with your initial cover letter. On a separate page, write a paragraph detailing your short-term and long-term goals. In this case, 83% of readers who voted found the article helpful, earning it our reader-approved status.

Research

Second-year paper The second-year paper represents a significant step up in research expectation from the first-year paper. So have a look at it today! There are multiple components to this STEM thesis.

Research Portfolio Example

Check out her talk for more details! A UX design portfolio can show the designs, from early sketches to polished screenshots.

STUDENT PORTFOLIO: HOW

Emphasize the professional work that you have done and how you contribute to a team. Ask past clients if there is any information that they are comfortable with you sharing — you may be able to post short excerpts of your research deliverables in your portfolio.
