Donleavy is always reliably entertaining; he is a true comic master; but he is often too a beautifully literate writer, replete with gorgeous and moving words, images, poetry, and abundant rich emotion. The Destinies Of Darcy Dancer, Gentleman (eBook, 2007) [styleguide.expo.io]

I love you Nettie I loved youCHAPTER 3 Two days following the funeral Darcy Dancer's father sold ten big bullocks at the street market in the village and without an ounce of petrol for the motor cars he left again by horse and trap-clip clopping three miles on the hilly winding road to the station. And learn to know that just as poison lurked in the beauteous soft tissue of yellow meadow flowers, so too did pain and sorrow lie before all one's footsteps.
