Who knew the best about his or her private secret, and who could best identify him or her? The Metropolitan Commissioners in Lunacy had also looked askance at the operation of public asylums with their mixture of social classes, arguing that the paupers suffered from the contiguity of people who were receiving a higher standard of accommodation, better food and so on. The following response from the Poor Law Guardians in Leicester to the Building Committee for a new asylum in 1866 is thus unsurprising: This Board however cannot conceal its regret, that in the Town Council there appears to be a desire for external ornament in the proposed building, which in the opinion of this board would be somewhat out of character in a Pauper Lunatic Asylum. Ni fyddai eisiau ibyddin gref i'r pwrpas hwn.

Parry, ac yr oedd y Thai canlynol hefyd yn breseno! While my research into the situation at the Leicestershire and Rutland County Asylum up to 1870 would suggest that the asylum staff had influence here, there are also instances when people were released over the objections of the asylum staff, generally at the instigation of the local Poor Law authorities. Wales is an ethnonym which is an exonym the name is not used by the ethnic group itself — that is, was not when the Welsh people had not been anglicised.
