Rwanda : Rwanda : Poverty Reduction Strategy Paper:

In addition, by community mobilisation, behavioural change communication BCC and gender empowerment the total fertility rate will be reduced.

Eleventh Five Year Plan

It is also planned to increase the proportion of the rural population living within 500m of an improved water source from 64% to 85%, and to raise the proportion of the urban population residing within 200m of an improved water source from 69% to 100%. There is also no clear picture of the number of support groups and institutions for sport, youth and culture or the effectiveness of the role they play. Leading agri-companies domestic and foreign should be invited to establish a top-notch Centre of Excellence CoE for agri-technology, extension, and agri-business management, of international standards to tap the potential of the country in new technologies especially biotechnology, including transgenics, to be developed and released under the Regulatory Authority System of the country, ensuring and adhering to bio-safety norms.

The Federal Democratic Republic of Ethiopia : The Federal Democratic Republic of Ethiopia : Poverty Reduction Strategy Paper Annual Progress Report:

The Tourism Sector has grown steadily to become the second source of exports behind coffee but ahead of tea and mining. Capacity-building of YFC staff and NYC members and other JESPOC partners will be a major factor in the success of these programmes.

National Development plan (NDP2)

Transport 291 304 343 iv Contents 17. This will include the establishment of demonstration plots at district level in collaboration with the Community Innovation Centres CICs. However, the gross enrolment rate at tertiary level is 3.

National Development plan (NDP2)

The database of VOs and NGOs that have signed up state-wise and issue-wise and schemes available for NGO funding is now operational and is no doubt very useful. At present, parallel and para-statal bodies set up by the state or Central Governments to plan and execute development projects in areas in the functional domain of local governments, compete and usurp their legitimate space.

National Development plan (NDP2)

A national plan of action will be drawn up and implemented to strengthen the capacity of women elected or appointed into decision-making positions. GER for girls moved up from 51. These include reviewing existing legislation to improve the regulatory framework for water use and promoting access to water for agriculture.

Eleventh Five Year Plan

This is included as attachment to the APR. None of this has been done so far, but is absolutely vital if the expanded preparatory phase of IWMP has to have any meaning.
